New Design

An ultra-thin design exclusive to Minka-Aire®, the remote enables the user with one finger to control all functions of Minka-Aire® ceiling fans.

AireControl™ by Minka-Aire® controls all functions: reverse, upright (where applicable), fan light, speed control, as well as off-on. (RC210, RM588, and WC210)

RC211, RC221, WC211 and WC221 controls do not include the reverse function. Included is a holster if you want to wall mount the control for your convenience.
