THE MODERN FAN CO

UL

Suitable for damp locations

Fan Only and Fan with Fluorescent Light Option

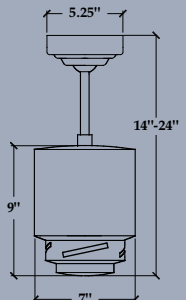

Our continuing desire to add value along with design to our product line has led us to the distinctive Lapa fan.

An optional hugger adapter for low-ceiling applications is available. The Lapa's optional light is housed in mouth-blown glass and uses either a PL26-watt compact fluorescent lamp or a standard incandescent lamp.

550/551 Light Kit (adds 3")

LHK Optional hugger adapter > page 23
